Local Nursing Home Receives National Recognition

New Middletown, OH- For the second consecutive year, Masternick Memorial Health Care Center has been recognized as a top performer by the American College of Health Care Administrators (ACHCA). Each year, ACHCA awards the leaders of top-performing skilled nursing facilities across the country through its Eli Pick Facility Leadership Award.

Masternick Memorial Health Care Center was 1 of 31 nursing homes in Ohio selected out of 970 nursing homes in Ohio. Only 7% of facilities qualify for this award nationwide.

To be considered for the Eli Pick Facility Leadership award, facilities must meet all of the following criteria:

- The current administrator has been the administrator of record for the full calendar year.
- No survey (Health, Fire Safety, and Complaint) in the past 3 years with a citation above "E" in Scope and Severity.
- Occupancy of at least 80% as defined by Centers for Medicare & Medicaid Services Survey Report.
- Avoidance of Special Focus Facility status.
- At least two Centers for Medicare & Medicaid Services 4-quarter average quality measure score equal or better than the top quartile for the USA for 8 select quality measures.

Masternick Memorial Health Care Center is owned and operated by Windsor House, Inc., a group of skilled nursing, rehabilitation, Alzheimer's care and assisted living communities with locations throughout Northeast Ohio and Western Pennsylvania. Additional information can be found on the company's website www.WindsorHouseInc.com
