

SHOWER GURNEY, POLICY AND PROCEDURE FOR CLEANING

POLICY:

It is the policy of this facility to clean our shower gurneys after each use using a disinfectant that will meet the requirements of the CDC.

PROCEDURE:

Each shower gurney or shower chair will be wiped down after each use by using:

SHOWER GURNEY:

1. After each use, the shower pad will be lifted off the gurney wiping each side with the CDC approved disinfectant.
2. All surfaces of the shower gurney will be wiped down with the CDC approved disinfectant.
3. The shower pad will be placed back on the shower gurney ready for the next use.
4. The shower gurney/pad will be checked for sanitation prior to each use.

SHOWER CHAIR/JACUZZI CHAIR:

1. After each use, the shower chair/Jacuzzi chair will be wiped down with the CDC approved disinfectant.
2. The shower chair/Jacuzzi chair will be checked for sanitation prior to each use.

NOTE: Cleaning of shower gurneys/shower chairs shall be performed by the staff member who gave the shower.
